### —Scarff's Guarantee—

We guarantee all Nursery Stock to be true to name, in good planting condition, up to grade and specifications.

The growth of plants and trees is largely dependent upon the conditions of planting, weather, and after care beyond the Nurserymen's control.

(1) Dormant Bare Root Nursery Stock. We will guarantee that if properly planted, and cared for it will establish itself and start satisfactory growth; otherwise, full replacement will be made if notified before June 15th of the first growing season. Further reports the same season will be replaced at one half price.

(2) Evergreens are guaranteed to establish themselves and start satisfactory growth within 30 days from the date of purchase.

(3) Potted and Canned Plants are growing and thus do not require further guarantee.

(4) Living Christmas Trees (B & B). Full instructions furnished with each tree. Scarff's Nursery Incorporated will not be liable under any circumstances for more than the original purchase price.

# BERRY PLANTS

## RED RASPBERRIES

- **Latham (Red)** Most dependable--hardy and heavy yielding.
- **September** --(Best Everbearing Red) Large bright red high quality berries. A full crop in the Spring and another in the Fall until freezing weather.
- **Sodus** --(Purple) Heaviest yielding of all raspberries.

## BLACK RASPBERRIES

Excellent for pies, freezing or canning.

- **Bristol** --Best variety for home planting. Highest quality. Very productive. Large Berries.
- **Cumberland** --Standard variety for many years. Midseason.
- **Morrison** --Very large fruit, excellent quality, late.

## RED LAKE CURRANTS

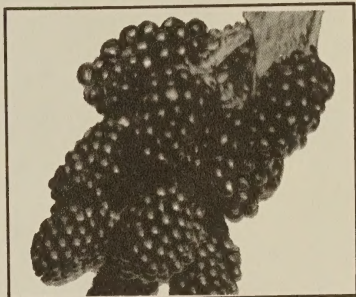

Large sparkling delicious fruits finest for jellies.

## GOOSEBERRIES

- **Pixwell** --Red--makes an excellent bush and is heaviest yielding of all.

Prices postpaid	each	5	10
Currants	.....	\$ .75	\$3.00 \$5.00
Grapes	.....	.50	2.25 4.25
Gooseberries...		.85	3.50 6.00

## NEW 'MIDNITE' BLACKBERRY

Founded by B. E. Spurgeon of Clermont County, Ohio as an especially fine large heavy fruiting berry growing in the wild.

We are introducing this variety because of its fine fruiting performance and its strong thrifty cane characteristics in comparison to other blackberry varieties.

- **Lowden Blackberry** New heavy fruiting of the Eldorado type.
- **Lucretia Dewberry** --Standard variety for Ohio plantings.

## GRAPES

All heavy 2 year old vines.

- **Caco** --Best red grape for Ohio.
- **Concord** --Blue --heaviest yielding and most used for juice.
- **Niagara** --Best White grape for Ohio.
